Principal’s Report

The sun has been shining and Delegate Public School has been buzzing with activity!

Last Thursday saw the students put their best peddle forward to raise awareness and funds for the Leukaemia Foundation. Our community event coincided with the Lifecycle Regional Ride and consisted of a Bike/Walk-a-thon, meet and greet with the Lifecycle Team, bike-themed activities and a BBQ lunch. Everyone thoroughly enjoyed the event, and I can very proudly say that we have raised over $1200 thus far. An incredible effort! Behind every great event is a team of dedicated and hardworking individuals. As such I would like to thank EVERYONE who was involved including the school staff, P&C committee, Lifecycle Team and a special mention to Doreen and Su King. If students still have outstanding pledges could they please be in by this Friday.

This coming Sunday sees the commencement of the Men from Snowy River March. In preparation for this historic occasion the whole school Choir have been rehearsing several songs to be performed on the day. Students are encouraged to attend and participate in the march. We have also received a formal invitation from Bombala Council to attend a function relating to the march next Tuesday. I will send home a detailed information pack tomorrow about both events.

I’d also like to take this opportunity to thank Susan Tocchini, our wonderful Stephanie Alexander Garden Specialist, for selling our school seedlings.

This term our assemblies will take place on Wednesday of Week 4 and Week 8. The change of day is due to the Workshop Program running on a Tuesday afternoon.

Just a reminder that School Reports and Presentation Night are fast approaching. Please ensure that all student reports and trophies are returned to school ready for updating.

Around the School

Grandparents Day
We had a wonderful morning on Tuesday 19th October celebrating our fantastic grandparents. Our special guests visited the classrooms and enjoyed a morning tea in the sun!

Lifecycle Bike/Walk-a-thon
The students were delighted to be joined by the Lifecycle Regional Ride Team for some laps around the circuit as part of the Bike/walk-a-thon.

Classroom News

This week K12

Literacy
In Reading Groups we have been learning about sea creatures. We’ve been making predictions and having a discussion about the story. We have also been doing lots of writing and spelling.

Numeracy
In Maths Groups we have been practising our number writing. My favourite number to write is six. We have been learning about groups and sharing. Maths makes me feel good.

Integrated Unit
Our unit this term is called Under the Sea. I have learnt that mammals eat plankton and that there are different types of fish. We made sea dioramas which was fun. We have our own fish called Harry and Potter. We have to feed them every day.

Finances
With the schools financial year approaching all accounts must be finalised by 20th November, 2015. If you are having difficulties paying please contact Mrs Reed or Mrs Bucholtz

Lost Property
Our lost property bins are currently full, primarily with jumpers. Please ensure all of your children's belongings are labelled with their name as this makes it very easy to identify the owner.

School Website
The school website is a great source of information regarding the happenings at Delegate Public School. Check it out at: www.delegate-p.schools.nsw.edu.au

Live Life Well @ School
Do an hour of physical activity everyday
Children need at least 60 minutes of activity each day. Children are not going to have enough physical activity while at school. Families can plan extra activity into their lives to make up the difference.

Fruit Salad… Yummy Yummy!
Fruit salad is a great idea for Crunch&Sip, full of colour, flavour and nutrients.
Why not chop up your child’s favourite fruit and pop it into a sealable container. Don’t forget a fork!

Book Corner
Congratulations to the following students for incredible reading at home.
