Principal’s Report

I hope everyone has a fantastic break and remains happy and healthy throughout these holidays. Thank you to all the parents and citizens who assisted with the Election Day BBQ and fundraiser. Lydia Jamieson’s name was drawn as the winner of the wood raffle. The Year 6 2016 fundraising for Melbourne began with an Egg Guessing competition. This will continue and the lucky winner will be announced at the Duck races on Good Friday.

This week on Wednesday, 1st April Assembly will begin at 12 noon followed by a BBQ lunch. In the afternoon there will be Easter activities. Lunch will be a sausage sizzle for $1 or Bacon Egg Roll or BLT (Bacon, lettuce and tomato) roll for $2. Drinks are free.

A few changes have been made necessary for the first very busy week in Term 2. The Life Education Van has been confirmed and it will be here on Wednesday, 22nd April. The Mothers’ Day stall will remain on this day. We will need to change the Delegate Athletics Carnival which will now be on Tuesday, the first day back for the students. See table on page 4 for easy access and a reminder to be placed on the fridge.

Information and permission note are attached for the Life Education visit.

If possible could the students selected for the next level Cross Country Carnival participate in some training at home during the holidays.

Bombala ANZAC Memorial Opening Ceremony is at 11am. This will be followed by a sausage sizzle provided by the Bombala Lions Club. A permission note will be distributed in Week 1.

We would welcome as many students as possible to attend the 11am service on ANZAC Day, Saturday, 25th April. The students will wear school uniform and march as a group from the Cenotaph to the Memorial Gates. The Year 5 students will read the prayers and Year 4 will place the wreath.

Enjoy the break and see you in Term 2!

**This week in K12**

A key focus in K12 this fortnight has been learning how to work independently and manage our distractions. This is part of the 21st Century Learning Framework. During our L3 literacy sessions students engage in both independent, group work and intensive learning activities. The layout of this session develops students time management skills, sharing skills and supports them to become independent learners. *Images: Lydia clowning around in the Ladybird Theatre.
