**Principal’s Report**

A sincere thank you to all those who supported our attendance at the ANZAC Day commemoration. A special thank you to the students who read and represented the school so well; Mrs. Reed for creating the wreath; Michelle Farran and the Butterworth family for their singing expertise; the staff for their attendance and to all the students who marched proudly.

The Mothers Day stall was well supported and we thank Mel Kidd and Su King for their time and effort in organizing this opportunity.

Late yesterday I received notification that due to the condition of the Bombala School oval the Athletics Carnival will be postponed. The field events for the nominated students will now take place on Tuesday, 5th May and the Whole School Athletics Carnival will take place on Wednesday, 6th May. Information and permission note are attached.

Yesterday some structural maintenance work began. Replacement of the roof area covering the library, admin and toilets will continue possibly for all of Term 2. The students will need to play in restricted areas during this time. Classes may need to take place in alternate rooms. Whilst this may be inconvenient, at times, hopefully no more leaky roofs.

NAPLAN for Years 3 and 5 will commence Tuesday, 12th May (Language Conventions and Writing); Wednesday, 13th May (Reading); Thursday, 14th May (Numeracy) and Friday, 15th May is a catch up day.

The next P&C meeting is scheduled for Tuesday, 19th May at 6:30pm in 345 classroom.

Carol Sellers
Principal

**Around the School**

On Wednesday 22nd April the students enjoyed a very special visit from Happy Harold and the Life Education van. It was an educational and fun way to kick off the term.

Well done to all the students who represented Delegate Public School at the Regional Cross Country Carnival at Nimmitabel.

To mark the opening of the Bombala ANZAC Memorial the students attended a very special ceremony on Friday 24th April.

On ANZAC Day Delegate Public School participated in the 11am service. The students displayed impeccable behaviour as they marched, listened during the service and performed songs. Well done to Bowen, Jaidyn, Brigid and Alex for speaking on the day.
Classroom News

This week in 345

Last Wednesday we attended the Life Education Van. Here are some comments from the students about what they learnt:

I learnt that the windpipe is called an oesophagus. I enjoyed Healthy Harold because I learnt how to live a healthy life.
Alex Reed

One thing I learnt was that all drugs aren’t medicines but all medicines are drugs. I enjoyed seeing Happy Harold. I was fortunate to be able to read Harold’s diary.
Courtney Bennett

I was surprised to learn that coffee has caffeine in it. Caffeine makes you hypo and that’s why children shouldn’t drink coffee.
I liked the talk on ‘bullying’. The strategies that Harold talked about will help me if I am ever bullied.
Hunter Reed

Important Dates

Week 2
Friday 1st May
No Kitchen/Garden

Week 3
Tuesday 5th May
BDPSSA Field Events

Wednesday 6th May
BDPSSA Field Events
