Principal’s Report

Thank you to all who attended the Athletics Carnival and especially those parents and staff who offered or did help transport the students. The SMDPSSA Athletics Carnival will be held on Tuesday, 26th May. I will hopefully distribute a note tomorrow to the successful competitors. Just a reminder that for students to be eligible to receive one of the Sports awards on Presentation Night they need to have represented the school at one of the SMDPSSA carnivals (the next level).

Today the NAPLAN (National Assessment Program Literacy and Numeracy) began for Years 3, 5, 7 and 9 all across Australia. We had the ‘Language Conventions’ and ‘Writing’ components today. Tomorrow is ‘Reading’ followed on Thursday by ‘Numeracy’. If for some reason a student is away there is some make up time available.

The 2014 Annual School Report (ASR) and the School Plan 2015 – 2017 have been uploaded to our school website. Visit the website and click on ‘Home’ tab and then ‘Annual School Reports’ followed by ‘2014 ASR’. Please take the time to view these documents. The ASR is a celebratory report about our successes in 2014. The School Plan 2015 – 2017 states our direction s and how we will achieve our outcomes. The plan is available under ‘School Management’ tab then ‘2015 School Plan’. I will be discussing these at the next P&C meeting on Tuesday, 19th May, 2015. Minutes from the previous meetings are attached.

In the Kitchen the students and Mr. Rocke have been busy preparing some goodies for the Biggest Morning Tea. The students in Years 4 and 5 will help serve and spend some time with the residents on Thursday, 21st May.

Carol Sellers
Principal

Around the School

On Tuesday 5th and Wednesday 6th May the students went to Bombala Public School to compete in the BDPSSA Athletics Carnival. A huge congratulations to all the students for trying their best and supporting one another.
Classroom News

This week in K12
During our numeracy sessions the students have been learning all about time. The Kindergarten students have been learning about shorter and longer, Year One have been estimating time and Year Two have been reading clocks.
