Principal’s Report

I hope everyone enjoyed the long weekend and the frosty mornings have been beautiful even if a bit testing to get out of bed.

We would like to give a special thank you and acknowledgement to Ms Leonie Walmsley for reading during National Simultaneous Storytime. Leonie is a wonderful advocate for our school and we really appreciate the hours she willingly volunteers.

On Wednesday, 24th June as part of the Positive Behaviour Success program the students will be having their reward day. They have chosen to come dressed as a movie character, have a campfire, toast marshmallows and then a movie. All this, of course, depends on weather and there will be strict campfire rules. Any child who cannot abide by these rules will be supervised inside.

The next P&C meeting will be held on Tuesday, 16th June at 6:30pm. The first item on the agenda is the removal of trees. Please make the time to support this meeting.

Don’t forget the Bombala street stall on Friday, 19th June. All donations are greatly appreciated.

Student Reports will be distributed on the last Friday of this term, 26th June. The first week back on the Monday (13th July) is a Staff Development Day. All staff will be in Cooma. On Tuesday Wednesday and Thursday (14th, 15th and 16th July), the teachers will be available for parent teacher interviews. Booking sheet is attached. We encourage every parent to attend. Some student reports still need to be returned.

During Week 10, Mrs Bucholtz will be away attending to family business. Ms Cottrell will have K12 on Monday and Tuesday. Mrs McKinnell will have them on Wednesday, Thursday and Friday. We hope everyone enjoys their holiday break and keeps warm.

Carol Sellers
Principal

Around the School

Winter has arrived in Delegate! It’s great to see everyone wearing their long pants and school jumpers.

Last week our fresh woodchips arrived and are ready to cover the playground.

The roof repairs have been going well, with the scaffolding now removed from the office and library areas.
Classroom News

This fortnight in K12
The class have enjoyed participating in the Directed Drawing Program this term. The program aligns with the creative arts and handwriting strand of the curriculum. It focuses on pencil grip, posture, and developing core strength in the wrists and fingers. During the weekly lessons students participated in a guided art lesson, focusing on three key movements – spiral, zigzag and curl.

Pictured: Kadence and Mitchell show off their masterpieces.

- Term 3: Students return Tuesday, 14th July

Attachments
- Cooma Tennis Champs
- Sip Some Soup For Cancer (Lou Lou’s)
- Parent Teacher Interview request
K12 Book Study: Where the Forest Meets the Sea

This term K12 have studied ‘Where the Forest Meets the Sea’ by Jeanie Baker. The book explores environmental sustainability and delves into Australia’s past, present and future. K12 applied this thinking to the Delegate area and created their own iBook, titled ‘Where the Playground Meets the Classroom’. Below is a snapshot of some of their work, including writing and collages.
