Principal’s Report

Well, the work for our concert, ‘Pirates versus Mermaids’ is really starting to happen with regular rehearsals and organising costumes and props. The concert matinee performance is Wednesday, 16th September at 1pm and the evening performance is Thursday, 18th September at 6:45pm. Excitement is building!!!

This term’s assembly is Tuesday, 25th August at 2:15pm. The students will be presenting their artworks they have created during their library time with Ms Cottrell. Due to the concert we will only be having the one assembly this term.

This Thursday we begin Kinder Orientation for the 2016 Kindergarten students. They will arrive at 9am and attend the morning session, spend recess with us and then be picked up. This will occur every Thursday until the end of term. Next term, for the first five weeks the students will attend all day, every Thursday. During these times the Year 2 students will transition to the 345 classroom. This is a wonderful opportunity for all the students and teachers.

In Term 4 we conduct creative workshops for the students. The items they make are kept for the Delegate Show the following year. It will probably be a Tuesday afternoon, 1:30 to 3pm. In the past we have had a range of activities from batik, mosaics, scrapbooking, sun-catchers, felting, photography and many more. These workshops are for six weeks but we have 2 rotations so each child selects 2 workshops. We are seeking parents who might like to assist and enjoy running a workshop. There are usually 4-8 students in a workshop.

The next P&C meeting will be Tuesday, 1st September at 6:30pm.

Carol Sellers, Principal

Around the School

Courtney and Kadence had a welcome surprise visit from their new baby brother, Tristan, congratulations to the family.

From the Office

Parents and carers could you please make sure if your children are late arriving at school you must sign them in at the office. Failure to do this will have them marked as absent.

Also, should your contact details change in any way could you please notify the school. This includes address, contact phone numbers and emergency contact details.
