Principal’s Report

We begin this newsletter by THANKING our volunteers. Thank you to Jaidyn Clear and Bowen Farran, our Year 6 students who worked in the Dining Room at the Delegate Show. They collected plates, washed and wiped dishes. Well done!!

Cross Country could not happen without the support of the P&C and their excellent catering. Thank you to those that cooked, served and helped pack up, also the students who were involved in the pack up. We always appreciate the Country Club for allowing us to hold this event and special Thanks to Brian Murphy for mowing the track.

We are rapidly approaching the Easter break. The students need to bring 2 hardboiled eggs, one for egg rolling and one for the egg decoration competition. On Thursday, 24th March, an Assembly will begin at 12 noon followed by a BBQ lunch. In the afternoon there will be Easter activities including the unique egg rolling competition and finishing with the traditional Easter egg hunt. Lunch will be a sausage sizzle for $2.

Teddy Bears Picnic

Last Friday K1 and the remaining Year 2 students went on an adventure to Bombala Public School. The day was specifically designed as an opportunity for the students to meet their 2016 buddy class. Whilst there the students engaged in curriculum-based rotational activities and enjoyed a teddy bears picnic lunch with their new friends. The students displayed impeccable behaviour from start to finish. A wonderful day!
Classroom News

This fortnight in 346

Once the Delegate Show Art was completed we have been able to turn our attention more fully to our integrated unit: From Little Things, BIG things grow.

In this unit we will be looking at many aspects but we have begun with the difference between Weather and Climate.

Weather is the minute by minute changes in precipitation, wind and temperature.

Climate is the precipitation, wind and temperature measured over a long period of time in a specified area.

We then will compare with countries in South East Asia. The students select a country and using four categories they will compare to the large continent of Australia using a VENN diagram. We firstly need to research the countries.

Applying herself well during Literacy rotations

Important Dates

Week 8

Wednesday 16th March
Library Day
P&C Meeting @ 6:30pm

Friday 18th March
School Photos
Blue Group in the Kitchen

Week 9

Wednesday 23rd March
Library Day

Thursday 24th March
Assembly and Easter Activities

Friday 25th March
Good Friday – no school

*Monday 28th March
Easter Monday – no school

Readers Corner

THE MORE THAT YOU READ,
THE MORE THINGS
YOU WILL KNOW.
THE MORE THAT
YOU LEARN,
THE MORE PLACES
YOU'LL GO

- Dr. Seuss
Student Spotlight

Jaidyn

What is your favourite food?
Lasagne

What have you learnt in class this week?
Estimation of my height in metres and learning how tall I am

Where would you like to travel to?
Turtle Beach, Queensland

What do you like about living in Delegate?
Riding my motorbike and that I can walk anywhere

From the Office

SCHOOL PHOTOS
Please try and bring Envelopes back to the Office on Thursday if possible so we can have them ready for the Photographers when they arrive.

SCHOOL BANKING
If anyone would like to open a Youthsaver Account come and see Joyce at the Office.
